

Peony Dream

A mini Cal is going for a week

Design of Lifestyle By Ella | Elisabeth Laitila

I got the inspiration for my mini Cal when our beautiful peonies started knocking out. I am as fascinated every year by the peony splendor, with its huge flowers.

I had the good fortune of having yarn at home that suited perfectly to my mini cal, with color inspiration Pion, from Camillas livsstil so I ordered the yarn earlier for other projects.

Of course you choose your colors yourself :)

Below you will find the colors I selected, with numbers if you want to order the same. The consumption per color is also noted.

Color 2: 240 Amethyst 12g

Color 3: 222 Tulip 9g

- ★ *Scissor*
- ★ *Ring 30cm (optional)*
- ★ *A good mood, "Enjoy and have fun" which I usually write <3*

When & where are the parts published?

This mini Cal is 16 rounds. I have chosen to publish the parts for a week, You should not feel any stress to clear the part you work with before the next is published. Stress is not associated with crocheting. It's a form of meditation or relaxation according to myself.
