

Romance 2.0

Part 2

Romance part 2

*Romance 2.0 is a pattern that you can crochet in 3 different sizes
It is an updated design of my first pattern I created in 2018.*

*Thank you for crocheting my design, I hope you have fun along the way.
For me, it is important to enjoy every round and that it is fun to crochet.
Crochet should be a way to relax, a form of meditation*
