

Romance 2.0

Part 3

Romance part 3

Romance 2.0 is a pattern that you can crochet in 3 different sizes

It is an updated design of my first pattern I created in 2018.

*Thank you for crocheting my design, I hope you have fun along the way.
For me, it is important to enjoy every round and that it is fun to crochet.*

Crochet should be a way to relax, a form of meditation
