

MY MANDALA BY ELLA

Yarn suggestions:

I have used Whirl number 755 from Scheepjes. I have started from the inside of my ball of yarn.

Chrochet hook: 2,5

Size: 66-70 cm Depends on blocking

Description of stitches & other info:

Ch = Chaine

Sl st = Slip stitch

Sc = Single crochet

Dc = Double crochet

Fphdc = Front post Half double crochet

Fpsc = Front post single crochet

Puff = do the following 4 times - yarn over, insert the hook in the specified stitch.

You now have 9 loops in total on the hook. Pick up yarn and pull through all loops, lock puff with 1 ch.

FPpuff = Make a cover and pick up yarn in the same way as you crochet a Fpdc, you do this three times and should now have 6 loops on the hook, make a cover and pull the yarn through 4 loops, make a new cover and pull through the last 2 the loops on the hook.

**** _ **** = Repeat the number of times referred to in the pattern

*** _ *** = Repeat the whole round

(_) = Total number of stitches for finished round

Each round ends with sl st in the 1st st on round.

I have chosen to remove the yarn and start the last round with the yarn from the outside if you are crocheting with a cake yarn.

R52. 1sl st in the space between first and the second dc in a group of dc8. Ch1, 1sc in the space.
** ch1, skip next dc, 1sc in the space before next dc** a total of 2 times. Skip next dc, in the space before next dc crochet 1sc-ch2-1sc, skip next dc. ** 1sc in the space before next dc, ch1** a total of 2 times, skip last dc, 1 fpsc in the sc from previous round. Skip first dc in the enxt group of dc8, 1sc in the space before next dc.
